New Nursery Leader Holds First Meeting

The first meeting of the Torrance co-operative nursery school was called to order last week by the new director, Mrs. Myrtle Barter. The meeting was in form of an orientation program for past, present and new members. The class reviewed the purposes and goals of the school; what they mean to the child, and what they provide for the parents.

Mrs. Barter has planned a workshop for Monday evening, September 19. There the parents will learn songs and stories used in school, plus techniques used in teaching them to children. The class will also learn the importance of proper reading techniques.

After a potluck dinner on Monday evening, Sept. 26, several members of the group plan to put on a "Roll Play" entitled "Scattered Showers." The production of the "Roll Play" is new to the school, but is being introduced this semester by Mrs. Barter.

The purpose of the drama is to enact relationships between parents and children, and to bring out certain aspects which are baffling to the family.

This is a change from the ordinary and will give the members a chance to see a situation acted out instead of discussed or debated.

Information in regard to enrollment may be obtained by calling Mrs. Duane Crowley, Frontier 5-7423.

Howard Wood Holds Paper Sale Today

Howard Wood school is holding a paper drive all day today. Mrs. William Dixon, president of the P-TA, announced that any person having waste paper may obtain pick-up service by calling DAVIS 6-4061 until 7 p.m.

A safety campaign is under way to teach children the proper use of crosswalks and other safety rules. The campaign is under the direction of Mrs. Fred Bergen.

There will be a teacher's conference at the school on Tuesday evening, September 27 and Wednesday, September 28.
